Safety Rules for Earthquakes and Tsunamis Coloring Book Student Worksheet

Please list the family members who discussed and helped complete this coloring book:

What did your family learn about earthquake and tsunami safety?

Original illustrations by Mrs. Woodward's 3rd Grade Class (2009-2010) at East Elementary School, Kodiak, Alaska.

The Geophysical Institute gratefully acknowledges the assistance of Kodiak Artist Gloria Selby, who worked with students in the classroom to create this coloring book.
